Solmetex -- Clearly the leader in amalgam separation. The NXT Hg5 amalgam separator is the industry standard and has won more awards than all competitors combined.

The NXT Hg5 Amalgam Separator

Dentistry's Best Selling, Longest Lasting
Amalgam Separator

Trust the Leader

For over 25 years, Solmetex has lead the amalgam separation industry with its award winning NXT Hg5 Amalgam Separator which easily and affordably removes amalgam waste from dental practices.

As a "Total Solution Provider", Solmetex not only takes care of all amalgam waste handling and recycling in the dental practice, but also houses your Certificates of Recycling in our Compliance Center available online 24/7 at solmetex.com.

The NXT Hg5... Good for you and good for the environment.

Solutions

The NXT Hg5 provides the complete solution:
